

STAY WITH ART
KANSAS CITY, MISSOURI

21c
MUSEUM HOTEL

21c MUSEUM HOTEL KANSAS CITY

OVERVIEW

Much more than just a place to spend the night, 21c is an inventive union of genuine hospitality, thoughtful design and culinary creativity — all anchored by a multi-venue contemporary art museum with thought-provoking exhibitions, interactive site-specific art installations and a full roster of cultural programming.

For its eighth outpost, 21c brought life back to one of Kansas City's most historic locations: the Savoy Hotel and Grill building. The nineteenth-century building was once the nation's oldest operating hotel west of the Mississippi and now listed on the National Register of Historic Places. 21c Kansas City features 120 guest rooms, including rooftop level rooms and suites with expansive views, and 8,000 square feet of contemporary art exhibition and event space. The property also includes chef-driven restaurant, The Savoy at 21c.
