THE PINK SLIP

ROSÉ BY THE GLASS/QUARTINO/BOTTLE

Gerard Boulay 'Sibylle'

2018 Sancerre

Glass 16 / Quartino 24 / Bottle 62

While most rose from the region is made similarly to Beaujolais (young, gravity pressed, and simple), Sibylle is direct pressed, increasing skin tannins and body. This old vine Pinot Noir is firm, bright and refreshing, and can even be paired with something as sturdy as a pork chop (although it melds beautifully with our risotto as well). This is an instant classic.

Penya

2018 IGP Cotes Catalanes

Grenache / Syrah

Glass 10 / Quartino 14 / Bottle 38

Rose from a French commune with Spanish heritage! This staff favorite from last summer is back, with dark cherry and light strawberries balancing a nice salinity on the palate. This wine drinks with the freshness of high elevation and the brightness of a vintner from warm Mediterranean climates.

Miraval

2018 Cotes de Provence

Cinsault / Grenache / Syrah / Rolle

Glass 12 / Quartino 18 / Bottle 45

While most people recognize this wine as a product of Brangelina's summer home, Chateau Miraval has a history of celebrity - Pink Floyd partially recorded The Wall here. The wine is produced traditionally, and reflects it as a standard of the A.O.P. Notes of strawberries and citrus dominate, with a smooth mid-palate and clean, crisp finish.
