PHOTOGRAPHS BY BEN GOLDSTEIN

New York Times Bestseller
SANDOR ELLIX KATZ
Foreword by Michael Pollan
The ART of
FERMENTATION

AN IN-DEPTH EXPLORATION OF ESSENTIAL CONCEPTS
AND PROCEDURES FROM AROUND THE WORLD

With Regional Information on Pickling, Fermenting,
Pickling, Cheesing, Sauing, Wineing and More

Fermentation is the new trend in cooking, and **The Art of Fermentation** (\$40, Chelsea Green Publishing) by Sandor Ellix Katz has been invaluable to me. It's less of a recipe book and more of a concept book, which is my favorite way to cook.
