

CELEBRATE NATIONAL BOURBON HERITAGE MONTH

In 2007, the U.S. Senate declared September Bourbon Heritage Month. The bill, passed by unanimous consent, reinforces the 1964 Act of Congress that declared bourbon "America's Native Spirit" by celebrating the family heritage, tradition and deep-rooted legacy that the bourbon industry contributes to the United States.

This year, The Hive is celebrating our Bluegrass roots with an array of events and specials that honor Kentucky Bourbon. Hone your palate with one of our delicious bourbon specialty cocktails, or enjoy one of our featured bourbon flights at our September 30th Private Bourbon Dinner.
